STRONG TESTIMONY. MONTGOMERY Co., N. C., Sept. 11, 1960. Dr. W. H. Tutt : Sir-Please accept the heartfult thanks of a mother

Sir—Please accept the heartfelt thanks of a mother who was well nigh driven to despair by the sad condition of an only child. My little boy has been afflicted with Scrofula ever since his birth, and after trying every remedy that was recommended and several physic lans I ad pronounced him past all hope, I accidentally heard of your San aparilla and Queen's Dei-rht. It was so highly recommended that I concluded to try it, but I must confess with very little faith. He has taken nine of the bottics you sent me, and I am happy in being able to say that he is almost well; and I believe by the time he takes the dozen he will be perfectly restored to health. He has gained feeth, has a fine appetite and now walks two miles to school I shall always remember you with gravitatio.
